**RESPONSE**

Sir:

In response to the Office Action mailed July 30, 2002, Applicant's hereby elect Group V, namely, claims 12-13 which are drawn to a method for qualitative or quantitative determination of proteins, nucleic acids, oligomers, DNA, RNA, biological cells, lipids polymers, drugs or polymer particles, classified in various classes and subclasses.

This election is made without traverse.

Accordingly, it is believed that this is fully responsive to the outstanding Office Action and prompt action on the merits is earnestly solicited.

Respectfully submitted,
